3.   PLANS
3.1   List projects that will be completed or terminated in the coming year.
       1.The 2020 ACM China rising star and doctoral dissertation awards.
       2.Due to the Covid-19, The 2020 TUR-C in Hefei is postponed to May 2021.
3.2   List important changes or milestones in active projects during the coming year.
       ACM China has started a new term, Professor Xinbing Wang from Shanghai Jiaotong
       University is the new chair of ACM China.

3.3   List new projects or programs which are proposed or contemplated.
      1. Establish the Xiamen chapter, Shenzhen chapter, and more SIGs.
      2. Keep carrying forward the "ACM China distinguished speaker" program. Issue certificate to those who have contributed to the publicity of ACM China, such as preaching the TUR-C, giving speech on promoting computer science, giving lessons to high school students, especially students in poor and remote areas.
      3. Assist more SIGs and chapters to hold competitions, like the National Collegiate Competition on Cloud Computing etc.
      4. Strengthen the cooperation with more parties, set up more sub-forums at the Tur-C, and establish cooperation with the alumni associations of domestic first-class universities and scientific research institutes.

3.4   List details of plan to increase the diversity on the Board with respect to younger members, a wider geographic representation, and a better balance with respect to industry/academia, gender, and other under-represented groups.

      1. We are planning to invite more women scholars to join our members-at-large and chapter/SIG leader`s team, to bring more attention to women`s affairs.
      2. Based on our cooperation with Deqing County, Zhejiang Province and the Deqing Alpha Innovation Institute, we plan to set up a branch meeting place of 2021 TUR-C in Deqing county, to expand the regional influence of TUR-C.
      3. Keep on focusing on student chapters, encourage students to join competitions and other activities, provide better platforms for students' internship and social practice.

4.   <u>COMMENTS</u>
      List any comments you wish brought to Council's attention.
      Please provide a brief (paragraph) summary of one or two of your activities that would be of interest to the broad ACM community (or provide a link to a write-up of such information).

      We are committed to advancing the cooperation between ACM China and more companies and localities. We are also expanding ACM China's influence through a variety of cooperation models, and strive for more sponsorships to support more forms of activities. In the coming year, we will bring more aspiring people who are active in the business and academic circles to jointly promote the new development of ACM China.
